Stockholm, Sweden

Summary

- A true team-player who can work with all types of people.
- Embraces information, knowledge and listens to critique, strives to improve my work.
- Strong intuition; Seen as down to earth, open and honest.
- Driven and Ambitious, always gives 100% to achieve the best possible result.

Work Experience – Game Development Industry

Animator, A Way Out, Hazelight Studios (Aug2015- present)

- Primary cleaning, stitching and developing motion capture animations. Produced hand-keyed animations for extras, creatures and facial animations. Contributed with character concept art, character- and story development, especially regarding motives and characteristics as well as pushing female character representation.

Internship, Animator, A Way Out, Hazelight Studios (Jan2015-Jul2015)

- Worked as an intern in tandem with other animators. Assignments were on the same level as the rest of the animation team. Internship led to full time employment for the game project "A Way Out".

Education

Future Games Academy (2013-2015)

- 2 year game development education in Stockholm. Focusing on 3D graphics and Animation

Creative Computer Graphics, University of Gävle (2009-2012)

- Bachelors degree in Computer Science (Credits 180/180)

Social and International studies, Vasaskolan Gävle (2006-2009)

- High School

Work Experience – Pre Game Dev

Game stop – Clerk (Mar2013 – Dec2013)

- Worked behind the counter and on the floor in a games store. Responsibilities included: Managing and banking the register. Meeting and informing customers. Opening and Closing the shop.

HP – Promoter/sales (Jul2012 – Mar2013)

- Managed a Store in Store for consumer electronics. Promoted and sold HP Products such as Laptops, Printers and Networking equipment.

Hobbies and Other Interests

Concept Art, Drawing and Painting

- I draw concept art and paintings, both as a hobby and as an extra job on my free time. I Work with Procreate and Photoshop to do my drawing work.

Writing about games and the games industry

- I write articles, columns and reviews for the website www.myogaming.se. The website is the first in Sweden with only female and non-binary writers for a gaming magazine.

Physical Fitness and Exercising

- I practice Crossfit, Running and Weightlifting. To keep both my body and mind in shape.

Photography

- Digital photography majorly of animals and nature

Travel

- I love to explore the world, meet other cultures and get inspired.

Video Games

- I Collect, play and sometimes even stream games. I believe its important for me to keep up with the business.
